Andrea Lyn Seppo

Director Of Events

Hi there! I'm a mom of four boys, fur mom to four cats and a lover of a good Hallmark movie!

I think weddings are so much fun - all the details, timelines, stress and coordination.

Oh, that's not what you were thinking?

That's okay!

Being behind the scenes making sure you are stress free is my joy. I love stepping in and serving each couple I work with in making their day a dream come true!

Mercedeze Waters

Event Designer

Hey! A glimpse into the life of Mercedeze consists of binge watching Lifetime movies and Netflix, crafting, eating amazing food, and being a fur mama to my Bella and Ziggy!

What I love about weddings is transforming spaces and giving clients their fairy tale wedding - whatever that means to them.

Trends are great, but I love to be creative, elevate ideas, and think outside the box when it comes to design!

Congratulations!

We're so happy for you and know that you probably have a wide range of emotions when it comes to wedding planning. Needless to say, you want the day to be special, right?

Part of making your day special and perfectly you is eliminating the stress of managing the details before and during the Big Day. We love coming alongside both of you as you embark on the journey - whether you just need help with decor set-up, help in executing all those well-formulated plans or help in all the above - we're here!

The heart of wedding planning is making YOUR dreams come true. We don't ever want to conform your dreams into our style - your dreams reflect you and that is what we want your friends and family to see.

So, take a deep breath, look at your sparkly ring and smile! With us at Andrea Lyn Events on your side you'll always have a friend to text, someone to cry with and we'll be there to fluff a dress or hold a make-up bag.

Happy Wedding Planning!
