a letter from the visionary...

Blessed 2023 everyone and Welcome to Fall 2023 Transcendence: Missouri!

I would like to personally thank each of you for creating the space in your lives to support my vision and walk this journey with me!

How Transcendence was manifested... Almost two years ago, I received a vision of bringing the Holistic and Metaphysical world together! Being a student of the Metaphysical world myself is why this vision has been incredibly important to me and why I stopped at nothing to bring this Vision to Fruition earlier this year in June!

Due to such a monumental response, we are back for our Fall Transcendence!

My intention is to blend our world with an abundance of like-minded individuals to share their gifts, skills, passions, and of course, Magick within our community!

THANK YOU to the most Incredible and Amazing team I have created to assist me in fully manifesting this Vision!

- Transcendence Event Coordinator - Andrea Lyn Events (Andrea Lyn & Jonathan & Team)

And, to continue the growth and transformation of Triple Flame Healing - the most Amazing Personal Assistant and Manager;

- Sara Reichert

Triple Flame Healing also wishes to thank our very own Herbal Creatrix who is the mastermind behind all of our herbal blendz:

- Angeline Marie

Transcendence would not be a physical reality if it were not for every one of these amazing souls! Again, thank you for being on this journey with me and I appreciate every one of you!

- Angie -
