May I park a trailer on-site?

Yes. There are large parking lots on site. We ask that you park towards the back of the parking lot to allow for attendees to park at the front.

Can we pull up to unload?

Yes, we will have the ability to use the parking lot next to the building to unload. We ask that you move your vehicle as soon as you are unloaded to allow for maximum vendor access.

Is there electrical access?

Electrical access is limited so noting on your registration form is required as electricity cannot be guaranteed. Pre-registration will guarantee that electricity is run to your booth.

Will there be food on-site?
